

Ogletree
Deakins

Ogletree Deakins - The experts in employment law. With over 50 locations in the USA, Mexico and Canada as well as offices in Europe (Berlin, Munich, London and Paris), we are globally networked and locally present.

Our Berlin office in the heart of the city offers a family atmosphere and clear structures. With us, it's not just your professional expertise that counts, but also your personality.

Become part of our team and experience a working environment in which you feel comfortable and can grow!

We are looking for you to join our Berlin team:

Research Assistant (m|w|x)

Your tasks:

- Involvement in larger projects
- Extensive research in the field of employment law
- Preparation of legal documents and drafts
- Participation in the drafting of legal opinions
- Preparation of articles for social media, blogs and the firm's website

What you bring along:

- Law studies (at least in the 6th semester)
- Enthusiasm for employment law
- Good knowledge of English and very good German language skills
- Organizational talent and team player
- Experienced with MS Office
- Enjoy working in an international environment

What you can expect:

- Teamwork is our top priority at our Berlin office.
- Close exchange with our international offices for global perspectives.
- A pleasant working atmosphere with a sphere of resources and modern technology.
- Fun at work with exciting and challenging tasks.
- We encourage team spirit at team lunches, after-work events, company outings and Christmas parties with our European teams.
- A competitive salary package for your performance.
- In the heart of City-West - central and lively!

Apply now
and become part
of our team.
